Dear Parents and Students,

Welcome back to term 4! This year feels like it has flown by. We have lots going on this term so it will be another exciting one!

**Homework:**
This term, homework will continue to consist of one unit of maths mental and the spelling sheet. Students will also be given an assignment based on the HSIE study of Our Local Environment. Homework will continue to be given out on Mondays and it will be returned on the following Monday. This is so students have a full week to complete their homework.

**English:**
This term Literacy Groups are going to change slightly. We will be doing a mixture of drama activities, comprehension tasks, iPad tasks and other activities. We won’t be having parent helpers this term, due the change to the structure of Literacy Groups and the many events that occur in term 4. Thankyou to all those parents who have volunteered with reading groups throughout the year, your help was greatly appreciated.

**HSIE:**
In HSIE this term we will be studying the unit, ‘Our Local Environment’. Students will be given an assignment based on this topic later this term.

**PDHPE:**
This term we will be continuing to have PE activities prior to recess Monday-Thursday. 3M will be developing throwing, catching, striking and coordination skills. We will also be continuing to learn about making informed, healthy choices in life and the impact this has on our body. Later in the term 3M will be participating in a series of child protection lessons.

**Other Special Experiences in Term 4**
- 21st October  School Photos
- 24th October  Sport Photos
- 29th October  Musica Viva
- 10th November Junior First Aid Course
- 2nd December Mini Fete
- 11th December Presentation Day
- 17th December Excursion to Flipout

As have said on many occasions, I understand that you are busy. I am always happy to correspond via email: Bronwyn.jones20@det.nsw.edu.au

I am looking forward to a great finale to the year,

Bronwyn McDougall
