- It was decided that the Misc. Expenses will be broken down in future reports. Fulfilled wishlist items also to be itemized.
- Tiffany will include an extra column next to the Profit and Loss statement that will give the net income or loss for the month.

Change of timing for procedures following AGM:
- All P&C roles to be filled at AGM (where possible);
- Combank form to update cheque signatories to be available and completed following appointment of officeholders at AGM;
- Financial Probit forms to be completed at the same time. Both to be filed in audit folder for all account signatories.
- JS to include these notes in the P&C Calendar as a reminder for next year.

Secretary – P&C Insurance requirements
- P&C Association has stated that the monthly school calendar of events is not good enough to give to them to cover each event for the school
- A Notification of Events Form needs to be filled in for each event. If an event is a perpetual event or is the same event but done on different days only one form will need to be completed, but all of the dates will need to be listed.
• In addition to the Notification of Events Form a risk assessment must also have been completed for each event.

Recommendation:
• Compile a set of templates for the Notification of Events Form and the Risk Assessments to make it an easier process for the future. This is a high priority.

• Events listed on the school calendar (staff room) will be used for insurance notification. Thus any changes / additions must be advised to President, Secretary (after consultation with school).

• Several members said they would be willing to call upon other schools to see if they already have any standard risk assessments completed for similar events. They will report back at the next meeting with any information.

Principal’s Report
Andy advised the meeting of school tours changed to daytimes, on different days, each month until September when ‘formal’ Kindy14 processes started. Twelve families have applied for K14 so far. School focus was to be on grammar and punctuation – a specific need of our school which had been identified as a result of teacher assessment and analysis of Naplan results. Items providing guidance and support for parents in this regard have been included in school newsletter. School is working on Student Welfare Policy, specifically discipline component, ensuring all bases are covered and are documented, publicised, logical, hierarchical etc.

President’s Report
Key activity is to complete filling the P&C Roles left unresolved after the AGM. We have a quite urgent need is for an additional Media & Publicity Officer, as we have so many P&C activities that we really do need to communicate more regularly to our school community. And in addition we have the Spring Fair this year, which generates a heavy need for communication.

Recommendation
Network of Class Parents and Class email contact lists is almost complete. Patter and Spring-a-fair to be published prior to end of term, including seeking help with various roles.

Parent Club Not many new attendees at inaugural PC meeting but a new team for the Mothers’ Day Stall is underway. Date changed to Wednesday this year. Jane Whitfield is organising the Ride-to-School day breakfast.
