Dear 2/3C parents and caregivers,

Where has the year gone? 2/3C did such a fantastic job last term. Their performance at N-Factor was superb and they should all be very proud of themselves.

This term we will continue studying the unit “Our Asian Neighbours”. The students will be learning all about Nepal. They will plan an exciting trip to Nepal as part of an in-class Inquiry Based Learning project.

The students will be completing a unit of work in Personal Development. These lessons are designed to empower students to make informed and safe decisions in regards to dealing with bullying and recognising power in relationships.

Homework will continue as usual this term. The only change is for the Year2s. Their news will now be replaced by talking and listening activities in literacy groups. Please encourage your children to log on to Mathletics, Reading Eggs and Spelling City as these are wonderful tools in supporting work completed in the classroom. Any extra revision of times tables will also be helpful. Our Homework Heroes reward chart will continue as well.

Dates for the diary:
- School photos. Week 3. Tuesday, October 20.
- Musica Viva. Week 3. Thursday, October 22.
- Reports. Week 10. Wednesday, December 9.
- Last day excursion to cinemas and beach. Week 11. Wednesday, December 16.

Please make sure an absent note is sent in to school when your child returns. It is most important for our school records.

We are looking forward to a very busy and fun term. Thank you for your continued assistance and support.

Kind regards,

Liam Chapman
