Dear 5M Families,

Welcome to Term 4. It is going to be an exciting term with plenty of activities for the students. As always, I am looking forward to working with your wonderful children and finishing the year off in the best possible way.

Please remember that if there is anything that you are unsure about, concerned about, unhappy about, particularly pleased about, please know that my door is always open for a chat after school most afternoons. If you would like to discuss something at length, we are always happy to make an appointment so that we can speak in private.

Your children will have me from Monday to Friday. We have made some changes with structure, routine and learning intentions in the classroom. This change is to further enhance your childrens’ learning.

Also, if your email needs to be updated, could you please write it here:
