Welcome Back

We have had a terrific first term learning lots of new things and getting in to our routines.

Please be reminded that students:

- have a library bag (labelled) on a Monday (2Z) Wednesday (2AG) for Library. Students can also visit the library during lunchtime to return and borrow extra books.
- are at school during Week 3 as it is assessment week. Please be mindful that your child is here each day as long as they are healthy.
- have everything labelled so that if anything is lost it can be returned as soon as possible.
- return homework on Fridays and if there are any questions that they ask their teacher during the week.

Please remember that children should be using their own equipment stored in their pencil case. Check with your child if they require any replacement equipment.

**General Routines**

- A note should be sent for any absences or on any occasion when there is a change of routine.
- All belongings should be clearly labelled and the name checked frequently.

**Events this Term**

- Anzac Service 24th April
- School Birthday Monday 5th May
- Gymnastics program commencing Friday week 2 (for students participating)
- Reports
- School cross country (for children already 8 or turning 8 this year) 1st May
- Mother’s Day stall
- ICAS competitions

**Our theme for this term is ‘Local Places’**

We are looking forward to continuing the hard work with your children this term.

**Homework**

Continuing this term will be our homework. This will consist of a maths book, spelling (look, cover, write and check), reading and preparing for the Let’s Talk topic. We are encouraging students to write their spelling words in sentences so that they are applying their knowledge. They may like to write a story or any other style suitable for their list words. **This is not compulsory to complete.** It is an optional extra if they are interested in doing so. There is always Mathletics and Reading Eggs to get involved with too.

Please contact us if you have any questions, worries or concerns.

Regards,

Rob Zappia     Simon Alderton     Susie Graham
