Dear Parents,

Can you believe it’s Term 4!! This term promises to be exciting and action packed with, (to name a few)- school photos, Blue Mountains excursion, Musica Viva, Mini Fete, First Aid Course, election of the 2015 Student Leadership team, Showcase, Presentation Day, High School Orientation (Yr 6), Carols, Buddy Picnic (Yr 6), Farewell and our last day activity - bowling.

We are pleased to have purchased new sets of readers to help with building comprehension and inquiry skills whilst reading.

All of Year 5 and Year 6 have been mixed into 3 groups for a weekly focus session on number.

Year 5 and Year 6 will spend time as a grade for Personal Development lessons.
Mandarin will continue for Year 6 each Wednesday as well.
HSIE studies will cover “When Did the Settlers Arrive?” (5M), “Bali” (5/6Ca) and “Gold” (6C).

There will be an assignment to complete at home, along with the normal homework which will still be due to school on a Monday morning.

Please help your child with planning and time management. We find this is one of the biggest areas they struggle with.

One of our Year 6 students—Mia Stewart will be travelling to Nairobi to volunteer for a charity which assists impoverished children who have been rescued from living on rubbish dumps.

We are asking you to please consider a donation of pencils, rulers, rubbers, sharpeners etc for Mia to take with her to give to the children. If each child from our school could donate one item, it will help enormously. Thank you.

More details will be sent home closer to each activity. Please don’t hesitate to contact us if you have any queries, or need to have a chat.

Warm regards, Mrs Chant, Mr Casey and Mr McMahon
